Sabing H. Lee, Reg. No. 43,745**RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT OF FEBRUARY 11, 2005**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

On February 11, 2005, the Legal Instruments Examiner mailed a Notice of Non-Compliant Amendment in the above-captioned case. The Notice says, "The amendment filed on 9/30/03 is considered non-compliant" In addition, the Notice says, "As of July 30, 2003, all continuing data must be on or in a Pre-Amendment[:] can no longer be part of Transmittal Letter."

The above-captioned application was filed on September 30, 2003 with a Notice of Copending Applications, but there was no amendment filed in this case on that date. A preliminary amendment was filed on February 6, 2004, but that amendment did not amend the application's priority claim. The priority claim for the application was provided in the originally-filed specification of the application, and has not been amended.

The Applicants believe that perhaps the Legal Instruments Examiner erroneously considered the Notice of Copending Applications filed with the application to be an amendment to the priority claim, and that this was the basis for sending the Notice of Non-Compliant

Amendment. However, the Notice of Copending Applications was provided only to inform the Examiner of information related to copending U.S. Patent Applications. See MPEP § 2001.06(b).

Therefore, since there was no amendment filed in this case on September 30, 2003, the Applicants respectfully request withdrawal of the Notice of Non-Compliant Amendment.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
